The Woodstock Hospital Foundation Launches Online 50/50 Raffle *with a new raffle occurring each month!*

The Woodstock Hospital Foundation is thrilled to launch an online 50/50 raffle in support of the Woodstock Hospital.

Tickets for the first monthly raffle were available online as of 9:00 am on November 3, 2020.

“By participating in the Foundation’s fundraising initiatives, you are helping us purchase new equipment and technology for the hospital,” explained Jocelyn Jenner, Senior Development Officer with the Woodstock Hospital Foundation. “This ensures that our dedicated and caring staff have the tools they need to provide high-quality, patient care for the community.”

For the month of November, there are also three early bird prizes of \$500, with the winners being drawn on November 12, 19 and 26.

“We look forward to watching the jackpot grow, as proceeds support equipment purchases that will enhance patient care and services for residents of Woodstock and Oxford County,” said Perry Lang, Woodstock Hospital President & CEO. “We thank our generous community for the ongoing support of our hospital and this new fundraising initiative.”

A new raffle will start at the beginning of each month and the winner will be drawn at the end of the month.

Your chance to win starts here! Tickets are available **online only** by visiting www.woodstock5050.ca.

The November grand prize draw date is December 4, 2020 at 10:00 am.
